

Our car loaded with over 100 containers of detergent!

Drive Through Food Bank...we served 100 families!

Hygiene Kits funded by our cash donations!

Packing School Supply Kits for distribution next week!

Serving Agua de Jamaica (Hibiscus Tea) to the families!

It was a miracle when we were collecting & a Parishoner showed up with over 25 containers!!

Thank you St. Catherine's Community for all of your GENEROUS Donations to the Agape Service Project! With only 2 weeks to solicit & collect, I was feeling worried we wouldn't be able to pull it off. But...God showed me that He always provides, through His many hands especially at St. Catherine's! We collected over 100 containers of laundry detergent and \$750 cash which was used to help fund hygiene kits that we packaged and handed out at the Drive Through Food bank. Agape definitely didn't look like it usually does...and it was sad that we weren't able to take our group of Middle Schoolers to serve...however, Agape is still providing thoughtful, safe care to the Migrant Farm Community this summer. Thank so much for supporting this Amazing Ministry!
